SUPPLEMENT TO PETITION TO MAKE SPECIAL

Mail Stop: Petition
 Commissioner for Patents
 P.O. Box 1450
 Alexandria, VA 22313-1450

This is a Supplement to Applicant Ki Il Kim's Petition to Make Special, filed on August 11, 2006. Applicant inadvertently misidentified the paternity of the current application. Although the Petition indicated that the current application is a divisional application of the 10/719,363 application, this is incorrect. Instead, the current application is a continuation-in-part application of 10/719,363.

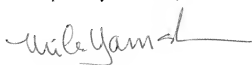

This change in paternity is the only correction. All other information in the Petition to Make Special remains the same. Therefore, Applicant continues to satisfy the requirements for a special application based on age.

Applicant respectfully requests that the Petition to Make Special be granted in this application.

No fee is believed due. However, the Commissioner is hereby authorized to charge payment of any fees associated or required with this communication, or credit any overpayment, to Deposit Account No. **50-0337**.

Dated: August 14, 2006

Respectfully submitted,

A handwritten signature in dark ink, appearing to read "Miles Yamanaka", followed by a long horizontal flourish.
